RENTED - WiFi / Water / Taxes included

This amazing houseboat with a garden big enough to get lost is on the edge of Spaarnwoude nature reserve. The houseboat and the garden offer a lot of privacy. A unique place to live outside and possibly work from home. Yet it is close to the cities of Haarlem and Amsterdam. From the station at 800 m. Away you can take a direct train that runs every 15 minutes and takes you to Amsterdam Central Station or Haarlem in 10 minutes. From the Garden of Eden you can be in the center of the city within 15 minutes. The roads are also quickly accessible. There is enough space to park your car for free in front of the door.

The houseboat has two floors. On the bottom floor we have a big one bedroom with both a double and a single bed separated by a wall. A second bedroom offers a further double bed. From both bedrooms you have a great view over both the garden and the water.

On the top floor is the living room with open kitchen with all necessary appliances, such as a dishwasher, gas stove with oven, refrigerator and freezer. The wooden elements of the houseboat provide a cozy and warm atmosphere.
