Schellingwoude, Noord-Holland Nederland

Property [Description](#)

Available from 15 dec - 15 feb

Stunning, very big spacious houseboat in Schellingwoude - a creative little village in between the beautiful Waterlands and the city center of Amsterdam. Our ship is featured in many different magazines. Sleeps 4 people - 2x double bed.

Note: rental is in de middle of winter, we are looking for people who do not step back for carrying wood every day to keep the fireplace going & who maintain the pellet heatingssystem every 2 weeks. A unique shipping experience!

Ship and views are insanely beautiful, village is amazing, experience is perfect, but please do understand it is a ship, and not a house. Looking forward meeting you! - Ship might be available mid December already.

WiFi, gas, water, electricity, taxes, parking and service cost are included in price.
